**INTERVIEW SUMMARY**

Sir:

The Applicant thanks the Examiner for taking the time to speak with the Applicant's Representative, Mark R. Kresloff (Registration No. 42,766), on February 12, 2007. The substance of the interview is set forth below and constitutes a record of the interview.

No exhibits were shown and no demonstrations were conducted.

Claims 1-7 were discussed.

No references were discussed.

The principal proposed amendments that were discussed were those amendments to the claims submitted on November 6, 2006.

The Examiner confirmed that the amendments to the claims submitted November 6, 2006 in response to the Restriction Requirement were inadvertently overlooked and not addressed.

The Examiner agreed to withdraw the Office Action mailed on January 16, 2007, including the restriction, and to issue a new Office Action restarting the period for response and addressing all of the claims as amended.

Dated: February 27, 2007

Respectfully submitted,

By
